The screenshot shows the LinkedIn interface for the IABSC page in admin view. The top navigation bar includes the LinkedIn logo, a search bar, and icons for Home, My Network, Jobs, and Messaging. Below this, the main navigation tabs are Updates, Overview, Analytics, and Notifications (which is selected). The page title is "International Association of Baggage System Companies (IABSC) Admin view". A notification is displayed for "Baggage System Companies (IABSC)" stating "Jerry Vaughan and 3 others liked your company's update" 4 hours ago. The notification includes a profile picture of Jerry Vaughan, a video thumbnail, and the text "Thanks to all the Association's members and guests who attended last week's". Below the notification, it shows "4 Likes". On the left side, a sidebar menu is visible with options: "Show all (3)", "Likes (3)", "Shares", "Comments", and "Mentions". The "Likes (3)" option is circled in red.
